June 29, 2018

Dear Torrance County Residents,
Please be our guest(s) for

EMWT Regional Water Association's
4th Annual Business Meeting
and
2020 - 2024 ICIP Public Hearing
Tuesday, July 24, 2018

This public meeting will begin at 6:30 p.m. at the Torrance County Commission Chambers, 205 9th Street, Estancia, NM 87016.

The 2017-2018 fiscal year brought many exciting changes to EMWT, which was formed as a joint municipal regional supplier of drinking water. Our Chairman, Bobby Ortiz, will present EMWT's annual review and stakeholder representatives of the Town of Estancia, City of Moriarty, Village of Willard and Torrance County will receive public input concerning the *2020-2024 Infrastructure Capital Improvement Plan*.

In addition, District 50 State Representative Matthew McQueen has agreed to serve as our guest speaker! We anticipate a good turn out for this informative evening and sincerely hope you are able to attend.

If you need additional information about this meeting or EMWT Regional Water Association, please call 505-384-2369 or email info@emwtwater.org.

Sincerely,

Bobby Ortiz, Chairman of the Board
